

Sticky Problem/Action Plan Canvas

Because...

A large, empty rectangular box with a dark gray border, intended for writing the reasons behind a problem.

We...

A large, empty rectangular box with an orange border, intended for writing the current actions or responses.

Therefore...

A large, empty rectangular box with a red border, intended for writing the logical consequences or goals.

Instead...

A large, empty rectangular box with a green border, intended for writing alternative actions or solutions.

Sticky Problem/Action Plan Canvas (example)

Because...

- There's always too much to do!
- We have a high-surface area
- We deeply care about the product
- We want to help

We...

- Work on low-leverage stuff

Therefore...

- The high-leverage stuff doesn't get done
- OR
- Someone else does it and we complain

Instead...

- Don't volunteer!
- Prioritise high-leverage work
- Categorise your time
